

Brighter Lives, Better World

Philips Lighting | Sustainability

The challenges

Climate change caused by carbon emissions is threatening our planet

Global population is increasing with more people living in cities

More resources are needed and create more waste

Our promise

Sustainable products, systems and services will contribute 80% of our revenues by 2020

Energy efficiency
Connected LED lighting reduces energy consumption by up to 80%

Social benefits
The right light helps people to see, feel and function better

Circular lighting
We are leading the transition to a circular economy

Our operational commitments

ZERO carbon
100% carbon neutral
100% renewable electricity by 2020

Prevent injuries
Create safe work places

ZERO waste to landfill
Eliminate waste to landfill for our manufacturing sites

To unlock the extraordinary potential of light for **brighter lives and a better world**
